Springville, NY 14141

8/8/08:

RJR Engineering is pleased to announce the addition of Bill Potts to our staff. Bill comes to us with over 20 years in the engineering field, and is a certified project manager (PMP).

Bill has an extensive background in project management as well as electrical and instrumentation engineering.

If there's anything Bill, or any other staff member of RJR can do for you, please give us a call.

RJR Engineering is a multiple discipline professional engineering firm serving all client types: private, manufacturing/industrial, municipal and governmental, and is licensed in 39 states. We do have several relationships in place that span from large, multinational companies to small and emerging businesses that help us meet the demands of project requirements, and client needs.

We operate under an ASME NQA-1 Quality Assurance Program.
